American Society for Quality
Six Sigma Black Belt Certification - CSSBB

Certification from ASQ is considered a mark of quality excellence in many industries. It helps you advance your career, and boosts your organization's bottom line through your mastery of quality skills. Becoming certified as a Six Sigma Black Belt confirms your commitment to quality and the positive impact it will have on your organization.

The application for Six Sigma Black Belt requires:

- ➢ 2 Six Sigma projects documented by signed affidavits; OR
- ➢ 1 project with a signed affidavit AND 2 years of work experience as it pertains to the Body of Knowledge

No education waiver is given with this certification

Examination: Each certification candidate is required to pass a written examination that consists of multiple-choice questions measuring comprehension of the Body of Knowledge. The Six Sigma Black Belt certification examination is a 4-hour, 150 multiple-choice question exam. It is offered in the English language only.

Exam Fee: $459 (non-members); $309 (ASQ members)
